

The first announcement on ICSM–4

Dear colleagues,

The Organizing Committee of the Fourth International Conference on Stochastic Methods (ICSM-4) and its Chairman, Academician of the Russian Academy of Sciences A.N. Shiryaev inform you that the abstracts of the reports of the previous conference (ICSM-3) will be published in the journal Theory of Probability and Its Application (Russian version), 2019, Vol. 64, Issue 1. Information about the options for subscribing to the journal is available at Math-Net.Ru:

<http://www.mathnet.ru/supplement/announcements/mianjournalsadvert2017.phtml>

It was decided to hold the Fourth International Conference on Stochastic Methods from 02 to 09 June 2019 in the health-sports campus "Raduga (Rainbow)" (settlement in Divnomorskoye, near Novorossiysk, Russia) of the Don State Technical University (DSTU). Working days of the conference: 03–08 of June 2019. Arrival: June 2nd. Departure: June 9th. We ask all those who have intention to participate in ICSM-4 (even if the probability of your participation is small) to register by January 1, 2019, at www.intconfstochmet.ru. The titles of the reports can be approximate and may be later refined.

The abstracts of ICSM–4 are scheduled to be published (as at the previous conferences) in the journal "Theory of Probability and its Application". The type of report of each participant will be determined by the Chairman of the Program Committee and announced in advance.

The amount of the Conference fee, the methods of payment, as well as the rules for the preparation of abstracts and the deadlines for their submission will be contained in the Second Announcement.

We are waiting for you in one of the most beautiful places in the south of Russia!

Vice-chairman of ICSM–4, prof. I.V. Pavlov
